

*"We were so glad that we chose to have our daughter's wedding at Town Square Community Center. The Terrace provided a wide-open space for over 200 guests to mingle and plenty of room under the tents to enjoy the meal. The elegant, air-conditioned ballroom was the ideal spot to end the evening with dancing."*

*"When my partner and I decided we wanted our wedding to be in Green Lake, Town Square stepped up and helped us coordinate the best party for friends and family. They did not hesitate to make sure we were comfortable with our choices and helped us carry out every quirky detail that exemplifies our relationship. Even with a summer rain storm, we had the best evening ever!"*

## Beautiful Spaces

Town Square Community Center, in downtown Green Lake, graces Green Lake County's most important historic structure—the 1899 former county courthouse, listed on the National Register of Historic Places. Designed by famed architect William Waters, the architectural gem is the perfect backdrop for your special wedding.

### THE BALLROOM

Returned to its original glory in 2021, the historic courtroom has been transformed into Town Square's most elegant event space. With its double-door entry, soaring vintage metal ceilings, crystal chandeliers, original hardwood floors and gorgeous arched windows overlooking the Mill Pond, the ballroom is the perfect space for your event.

### MILL POND TERRACE

One of Green Lake's largest outdoor event spaces, the Mill Pond Terrace is perfect for any size wedding, whether it's 50 or 250 people. Overlooking the Mill Pond, the Terrace can accommodate two 20x40 tents and features soft string lighting and extensive landscaping to create a close-to-nature-yet-urban feel.
